### White Teams (Regional Program)

The White Team Program is a lower cost regional travel program that provides strong coaching and competition against clubs playing in only the San Diego area. This program is ideal for athletes looking to get ready for their school teams or for those who may have time and travel conflicts with the Mikasa Team season.

- Shorebreak White Teams practice around 8 times per month (twice a week).
- White Teams compete in 4 Local Shorebreak events
- 2 multi-day events: Holiday Classic (2 days in December) and SoCal Junior Olympic Qualifier (3 days in January) in Anaheim.
- White Teams will have 9 competition days.
- A schedule can be found at shorebreak.com by clicking on *Program Description* then *Local* and then *Schedule*.
- Shorebreak White Teams begin training in mid-September with a break for the high school teams.
